

FIRST TIME IN THE CAPTAIN'S CHAIR

So you finally took the plunge and borrowed enough credits for a ship to call your own. You're the master of your destiny and right now that destiny looks mighty uncertain! You're in debt up to your eyeballs with a creditor that's not the sort of man to be trifled with.

SET-UP

When taking Starting Jobs, only take a Job from Harken and Amnon Duul. These Jobs may be discarded, as normal.

GOAL 1: Makin' Friends

To Complete Goal, be Solid with two different Contacts. After completing this Goal, take a Goal Token.

You ain't gonna get far in the 'Verse without makin' a few friends. It's just good business.

GOAL 2: Seein' Daylight

To Complete Goal, have \$6000 in hand and your first Goal Token. After completing this Goal, take a second Goal Token.

Carrying a heap a' debt on your back is no way to live. Scrape together enough cash to get back in the black.

GOAL 3: Feeding the Shark

The first player who travels to Ezra with two Goal Tokens and then pays the bank \$6000 wins the game. You own your Ship free and clear!

Head over to pay off your loan shark. Adelai Niska is not a patient man...
